Dear Mr Mirshafii

Your account is £88.92 in debit

We need to raise your monthly payments because you're using more than before. Your new monthly payment will be £70.00 a month, starting on or just after 15 January. **This new amount should cover what you're using now and let you clear the balance on this bill.** And we'll keep checking your monthly payments to make sure you're not paying for more or less than you're actually using.
